John 3:16 is more than just a declaration of words. It is perhaps the most well-known Bible verse, encapsulating the very essence of the gospel. It's the foundation of the Christian faith. It speaks of a love so great that it led to the greatest gift ever given, Jesus Christ, sent to die for us. This love is not just a historical fact but a present reality that calls for our response. The message of the text is clear: God loved. God gave. Will you believe? He's calling you to come. The price has already been paid, the way has already been made, and the invitation has already been extended. Jesus Christ, the Son of God, offers forgiveness, peace and eternal life to anyone who will believe in Him. If you have never made that decision to trust in Jesus, come. Don't wait another moment. Today is the day of salvation. The same Jesus who died for the world is reaching out personally to you right now.
